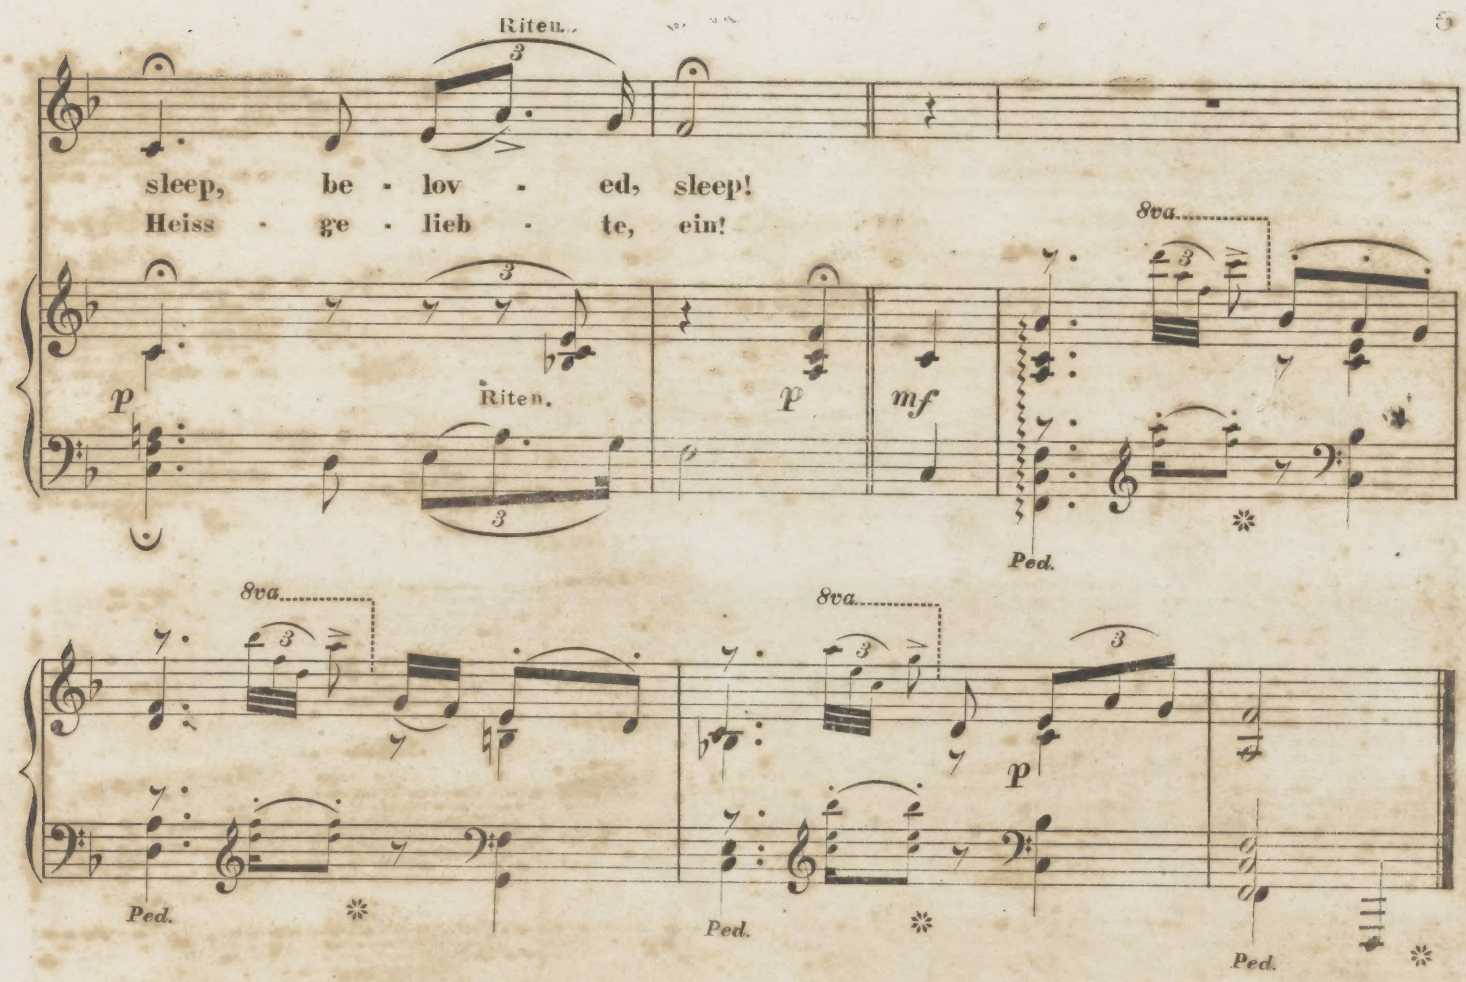
The heav'ns are blue and bright, O'er-
Der Ster - - nen - him - mel steht Von

sown with gold-en light, And soft the zeph-yrs
Gold - glanz ü - ber - sät; Durch Wald und Ro - sen -

creep Thro' vale and grove to - night; Sleep,
hain Nur Ze - phyrs O - dem weht: Schlaf',

sleep, be - lov - ed, sleep!
Heiss - - - ge - lieb - te, ein!



2

As fast thou sleepest now,
Heav'n's peace rests on thy brow;
The moon looks from above
Almost as pure as thou:
|:Sleep, sleep, my dearest love!:|

3

To God above the skies
My fervent pray'rs arise,—
O send her visions deep
Of blessed Paradise:
|:Sleep, sleep, beloved, sleep!:|

2

Wie strömet Himmelsruh'
Dir sanft zum Schlummer zu!
Der Mond glänzt mild und rein,
Fast mild und rein wie du:
|:Schlaf,' Heissgeliebte, ein!:|

3

Zu Gottes Majestät
Erhebt sich mein Gebet,
Dass dir voll Zauberschein
Ein Paradies ersteht:
|:Schlaf,' Heissgeliebte, ein!:|
